RE: Misty Temelkovski | Recommendation

It is my pleasure to provide this letter of reference for Misty Temelkovski. I had the opportunity of collaborating with Misty in previous creative dance and character initiatives; so much so, that when it came to bringing the mascot of the 2022 Canada Games to life, I knew instantly that only Misty could do the role justice.

As our chief mascot animator, Misty created and narrated Shelly's unspoken dynamic attitude and personally, it's signature swagger movements and our official Games Shelly Dance. The success of the external persona of Shelly was only as a result of the incredible internal dynamics that Misty brought to the role.

As a key element to the 2022 Canada Games community engagement initiatives, our mascot program, lead by Misty created the element of excitement, enthusiasm and support for the Games. With a robust calendar of events, Misty was extremely responsive and reliable to our needs.

Misty's contagious smile and endless positive energy made her a delight to work with. I would not hesitate to recommend her for future creative & production roles. I am confident that her skills, professional experience, and personal qualities would make Misty an asset to any organization.

If you have any further questions with regard Misty's background or qualifications, please do not hesitate to contact me.

Sincerely,

Vittoria Wikston
